This discovery tour offers a clever mix of hiking and relaxation, between land and sea. Balinese land first, trodden to the rhythm of gentle strolls through fabulous landscapes of rice terraces, traditional villages and sacred temples.

Then there's the sea of the Komodo archipelago, offering seaside landscapes worthy of dreamy postcards. It's also a chance to get up close to some mythical dragons and even some impressive manta rays. In short, this 15-day adventure sums up the intriguing motto of the Republic of Indonesia: "Our Land & Our Water".
