

# Javanese spirituality

Days:	1
Price:	50 EUR International flight not included
Comfort:	★★★★☆
Difficult:	★☆☆☆☆
📍 Spirituality 📍 Culture	
📍 Off the beaten track	

An alternative to the 'Crafts' day is to immerse yourself in Javanese spirituality and visit a workshop that makes kris, the famous wavy-bladed dagger that is said to have acquired so much power over the centuries that it can represent a man at his wedding! There's also a visit to a village where pencak silat is practised, an Indonesian martial art with a ritual and religious dimension.

## Day 1. Javanese spirituality

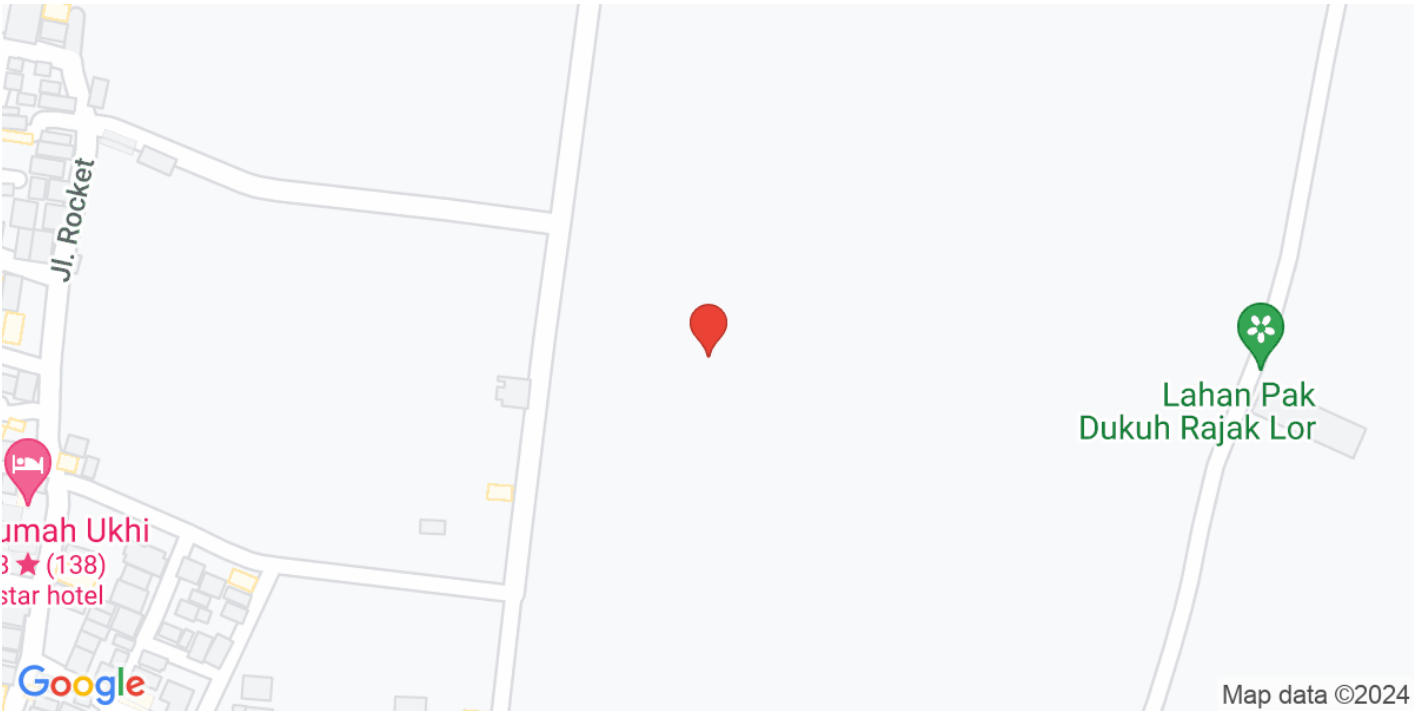

Yogyakarta 📍

- Program
  - **9am:** welcome at the hotel and departure for the specialist villages of keris and pencak silat
